

Too beautiful to look like those powerful faction

FS170 Self-service Bean to Cup Coffee Vending Machine

Up and down double-open door

Ditting grinder

Bean canister showed outside

Automatic cup door

Fresh ground coffee is visible

- Bean canister exposure design
- Grinding coffee bean at regular time, great coffee flavor

Up and down double-open door, more convenient operation and maintenance

- Removable parts, deep cleaning is more hygienic
- Modular design, makes daily maintenance easier.

21 inch vertical screen, more convenient operation

- Cool atmosphere lights, good mood for shopping
- Automatic cup door, more intelligent and convenient

Intelligent operation

- Fully automatic production, one touch to enjoy
- Do as you want, taste DIY
- Unattended, mobile payment
- Real time monitoring, real time interaction of operational data

Ditting EK7 professional grinder

- Upgraded machine body, compact and more efficient
- Intelligent bean-free dry burning detection, grinder protection
- Multistage adjustment for grinding powder thickness, suitable for a variety of coffee beans
- Perfect control of grinding temperature, to prevent excessive heating of bean powder

Splash-proof cup holder

- Drinking residua drained to dripping tray through funnel-shaped dripping box
- Intelligent detection of cup holder status, to prevent repeated cup reception
- Automatically clip the cup, to prevent it from falling off.
- Removable design, for deep cleaning

● Standard ○ Optional ⊗ No (Support customized development)

Model Designation		FS170 Self-service Bean to Cup Coffee Vending Machine Ditting Grinder+Espresso High Pressure Coffee Brewer+High Speed Rotary Mbcw FS170-ES5C-22I	FS170 Self-service Fresh Milk and Tea Vending Machine Precision Controlled Powder Box+Low Pressure Tea Brewer+Speed Adjusted Mixer FS170-FB5C-22I
Basic Parameters	Touch screen size	21.5"	
	Machine dimensions weight	500 (W) x 685 (D) x 1650 (H) MM, weight 120kg	
	Power requirement	220-240V, 50-60Hz, 16A	
	Maximum power/standby power	2700w/80w	
	Cup Diameters	80mm	
	Cup capacity	150pcs	
	Production rate	Espresso 45sec (30ml), Instant drinks 25sec (120ml), Hot water 15ml/s
